SUBJ: Jose Biascoechea, OCRM-01-162-R
DATE: June 16, 2005

On April 27, 2005, the Department issued an amendment to permit number OCRM-00-162-R for a change in use and relocation of the existing joint-use dock on a tributary of Conch Creek at 2830 Jasper Boulevard, Sullivans Island, Charleston County, South Carolina.

Jose Biascoechea has requested a contested case hearing before the Administrative Law Court.

Intervenor: A motion for leave to intervene, with the \$25 filing fee, shall be filed with the Administrative Law Court, Post Office Box 11667, Columbia, South Carolina 29211-1667, and served on all parties and shall state the grounds for the proposed intervention, the position and interest of the proposed intervenor, and the possible impact of the intervention on the proceedings. A proposed answer or position in intervention shall be attached to the motion.

Any person may intervene in any pending contested case hearing upon a showing that:

- (1) the movant will be aggrieved or adversely affected by the final order;
- (2) the interests of the movant are not being adequately represented by existing parties, or that it is otherwise entitled to intervene;
- (3) that intervention will not unduly prolong the proceedings or otherwise prejudice the rights of existing parties.

The motion for leave to intervene shall be filed as early in the proceedings as possible to avoid adverse impact on the existing parties or the disposition of the proceedings. Unless otherwise ordered by the administrative law judge, the motion to intervene shall be filed at least twenty (20) days before the hearing. Any later motion shall contain a statement of good cause for the failure to intervene earlier.

A person granted leave to intervene is a party to the proceeding. The intervenor shall be bound by any agreement, arrangement or other matter previously determined in the case. The order granting intervention may restrict the issues to be raised or otherwise condition the intervenor's participation in the proceeding. If appropriate, the administrative law judge may order consolidation of petitions and briefs and limit the number of representatives allowed to participate in the proceedings.
